FUN show report and Newps

January 21, 2014

The January FUN show serves as an indicator for the year, and it is also the best show in the winter months. Sales were good but not great, which allowed me to buy a lot of great coins, and thus there are nearly 140 Newps below.

One of the cool things about a big show like FUN is that I never know what great coins might be available. For example, these two 1844 half dimes:

Also, we bought a lot of Seated halves, including mint state examples of 1850, 1851, and 1852. Plus, a nice 1861 Seated dollar in PCGS AU-53, and a gorgeously toned 1885 Morgan dollar in PCGS MS-66 (which sold for \$2,990 in 2005, we now have it for less than that!)

All of our coins including the following newps are posted on our website www.richuhrichcoins.com. If you see any coin(s) of interest, please call (717)533-2935 or (717)579-8238 (cell) or e-mail us at richuhrichcoins@comcast.net to reserve the coin(s) that you want.
